

American Fork Jr. Registration Worksheet

7th Grade 2023 - 24

Please register for a total of 8 credits

Name: _____
Please print FIRST and LAST Name

Our course offerings for next school year are created based on student requests during registration.

- It is very important that students choose their electives and alternate electives carefully. If students do not get their first choice of electives, their alternate choices will be used to complete their schedule. Please prioritize alternates.
- It is expected that students requesting a full-year elective commit to take the class for the entire year.

◆ Use this worksheet to choose your classes.

◆ Enter Course Requests into Skyward with the student login. (You will not turn in this worksheet). Skyward instructions are on the back of this worksheet.

◆ Please add 2 alternates in order of preference. Alternates will be used in the event that your first choice classes do not work with your schedule.

◆ Course Descriptions can be found on the AFJR website
